

A 25x25 grid of small gray squares on a white background. The grid is composed of 25 rows and 25 columns. The bottom-right corner of the grid is missing a 5x5 section, specifically the last five rows (rows 21 to 25) of the last five columns (columns 21 to 25). This results in a total of 625 squares, with 125 squares missing from the bottom-right corner.
