

The image displays a 7x7 grid of 49 hexagonal grids. Each grid contains a unique pattern of black hexagons on a white background. The patterns are arranged in a way that suggests a sequence or a set of possible configurations. The patterns range from small clusters of 2 or 3 hexagons to larger, more complex shapes that fill a significant portion of the hexagonal grid. The overall layout is a square grid of 49 smaller hexagonal grids, each with a different internal pattern of black hexagons.
